Dear Miss Hartzell

James received
few days ago but could not find
time to answer. I hardly know
whom to recommend you, I
know that there are many nurses
there out of work at present, and
the physicians there feel as we
do, give our nurses preference.
However, you can present this
recommendation to several of
named physicians — Drs. Snader
Betts, Korndörfer, John E James,
or any of the faculty of the Hom.
College. Hope you will succeed,

Yours respectfully
C. P. Seip
